- Significant violations of the cooperation duties of the customer as specified in section 1.8.1 of the GTC.

Financial Reasons

- Operational capacities (IT systems and sufficiently trained personnel);
- Competencies in the area of risk management; or
- Business continuity policies or disaster recovery plans;

OeKB CSD shall inform the securities account holder to that effect and ask for a statement in this regard. If the securities account holder is unable to disprove OeKB CSD's opinion or fails to re-establish and prove said competencies within 30 T2S Opening Days (days of operation), this presents an important reason for termination.

If changed circumstances at the securities account holder result in OeKB CSD having to undertake significant changes of its operations affecting its risk management procedures and endangering the smooth functioning of the securities settlement system operated by OeKB CSD, this presents an important reason for termination.
